The Third Annual Asia-Pacific Region Robotic Tournament

-----full of engagement, challenge, passion

Welcome

Asia-Pacific Region Robotic Tournament is an international event which aims to promote robotics education to young students in Asia-Pacific region. It nurtures young students' interest in science, engineering and technology by provide interactive competition platform with designable and programmable robots; also, it reinforces students' real-case solving skills and teamwork spirit by providing hands-on experience and idea-sharing community. Full of engagement, challenge and passion, the tournament is launched since 2007 by Asia Robot League (refer to "ARL"), a non-profit organization originated in Hongkong. In 2007, the first tournament took place in Korea with 56 teams attendance from China mainland , Hongkong, Taiwan, Korea, Singapore; while in 2008, the second tournament took place in Singapore with 84 teams from China mainland, Hongkong, Taiwan, Korea, Singapore, Pillipine and Malaysia. This year, we are going to conduct the tournament in Sydney, Australia. We are looking forward to see you and your fascinating robots on the field.

Time: November 16-18, 2009

Location: Sydney, Australia

Events: BDS Robotic Competition--- Basketball

VEX Robotic Competition----Vex Clean Sweep
